

UPDATES

Bonset has been traveling the world taking part in several conferences and exhibitor shows in the past few weeks. From attendance of the APR and Plastics Recycling Conference in Washington, DC to participation in a panel discussion at the AWA conference in the Netherlands, Bonset has expanded their reach in learning, collaborating and informing industry about the market of heat shrinkable film.

SPC CONFERENCE

Bonset is a proud member of the Sustainable Packaging Coalition and was an exhibitor at the conference on April 1 to 4, 2019 this year. New environmental sustainability solutions were introduced, as well as Bonset's Environmental Statement.

AWA CONFERENCE

Bonset attended the Alexander Watson Associates Conference, an international sleeve conference held in the Netherlands on April 1 & 2, 2019. Sales Account Manager, Justin Smith, joined the panel discussion and presented how Bonset is responding to increased recycle demand and market.

CRAFT BEER CONFERENCE

Bonset attended the Craft Beer Conference from April 9 to 11, 2019. Bonset participated in collaboration with cooperative companies including Karlville, Nippon Technology Solutions, e-Pack, Consolidated Label, RB Dwyer.
